DANCE FRIDAY EVENING.

Friday evening the young people of the town enjoyed a dance given by the young men in honor of the young ladies.

The dance which was held in the mayor's office was quite an enjoyable affair and none who were present were dissatisfied with the evening's pleasures.

Music for the occasion was furnished by "Whose Steptoe" string band.

PALMYRA ITEMS.

Mr. L. J. Baker has gone to Richmond Hospital for treatment.

Mr. Linwood Anderson of Tarboro spent a few days with Chas. L. Staton enroute to Norfolk.

Mrs. R. E. Early returned from Goldboro Tuesday where she has been spending some time with her people.

Mr. John Early went to Norfolk to see his daughter, Mrs. Fannie Council, who recently underwent an operation for appendicitis.

We are glad to report that Mrs. Jno. B. Davis is improving rapidly.

We had quite a number of people from Scotland Neck at the river on the 4th to help enjoy a picnic dinner in connection with mineral waters bursting forth from the hill side.

Mr. Wade L. Mizell has made a splendid potato crop. About 4000 barrels on 100 acres and it looks as if he will get 100 bales of cotton from the same land.

Mr. E. H. Leggett attended the races at Battleboro Tuesday.

Mr. W. A. Bracy went to Kelford to attend the ball game between Kelford and Selma last week.

Miss Margaret Everett is spending some time at Washington, Chapel Hill and other places.

Mr. R. O. Everett of Durham was here recently visiting his people.

The crops of this vicinity are very good and especially below Palmyra on the Martin county side.

Our road from the Martin county gate to the rail road is worn out by the public, but still its ready to welcome Mr. Dickens and his force.

SWINDLED.

Sacra Bonna wants something severe done to people who don't do as they advertise to do. He says he saw a sign in a street car:

"Buy O'Donovans rubber heels, 50 cents attached."

And so he went and bought a pair, but there was no half-dollar attached and he believes he has been swindled.
